Activities Eligibility

Goals District standards allowing school, district, and state reporting from season to season, year to year, school to school. To create an athletic history for each student as he or she progresses through his or her high school career to assist the student in future goals and awards.

Activities Eligibility Toolbar

Student Activities Atom (Inside **Student Info Briefcase**)

Query Atom (Inside **Utilities Briefcase**)

Activities Setup District Standardized!

This has been created for you. **You will not need to setup.**

Please do not make any changes! **Important for rollover & transfers!**

If you have any questions or need a different standard,
please contact District Athletics.

If you need any changes, please contact your SISS for Help!

Adding an Activity for a Student

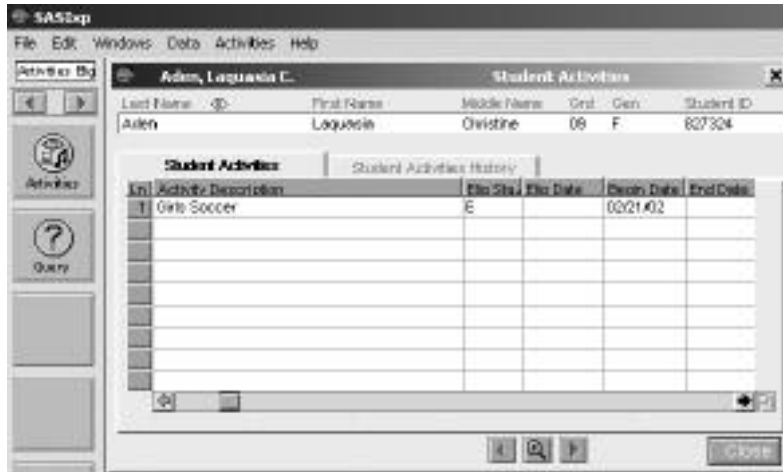

1. Open **(Student) Activities** from your tool bar. Find student participating in activity.
2. From top menu bar, click on **Data** and drop down to **Add Activity** for the student.

3. Click **inside the ActCode field** (next to new Ln #) to see the **drop-down menu**.
4. **Choose your activity.** (Note: if you need an activity not on the list, speak with District Athletics. Please do not add any additional activities. Important!!)

5. Edit **Begin Date**, if needed. Click **Save**
Added Activity will appear similar to the following:

Adding Information Details for the Activity

This is the record that will follow each student from year to year, school to school as of **now!**
******Do NOT Update Student Activities History.** Important details will be lost!

1. To **enter details** regarding the Activity, double click on the “Ln” #. (In example, “1”)

2. Some information is already listed. You will need to **manually add information** in the following fields: (Not automatically done! These can be added at any time, as needed!)

Note: The use of the following fields has changed for Jeffco from last year!

Activity Comment: Jeffco is now using this field for either **Other Awards** (i.e. Denver Post Athlete) **not** included in **ActCode 4** (All-Conference, All-State, Athlete of the Week, Most Valuable Player) or **Level** information.

NumSeasons: Important to **calculate and enter** the **number of seasons** this student **has participated in this particular activity!** (2 digits) CHSAA information & eligibility! (Flags repeats!) (If questions, ask District Athletics.)

NumSemEnr: Important to **calculate and enter** the **number of semesters** that this student has been **enrolled in high school.** (2 digits) CHSAA information & eligibility! (Flags repeats!) (If questions, ask District Athletics.)

Other Information Fields important to record:

Health Ex/Date: Click in the box to choose the “X” to indicate the student has had a **Physical Exam.** Then, put the **date of that exam in the field next to the “X.”**

EmgContact: Click in the box to choose the “X” to indicate the student has turned in an **Emergency Card** and it is **on file.**

PrnConsent: Click in the box to choose the “X” to indicate the student has turned in the **Signed Parent Consent to Compete Participation Contract.**

StuContract: Click in the box to choose the “X” to indicate the student has turned in the **Signed Student Contract** on the **Participation Contract.**

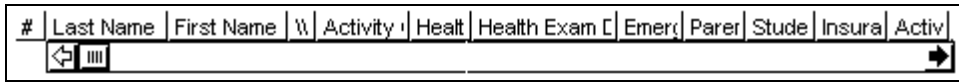

Insurance: Click in the box to choose the “X” to indicate the student has turned in the **Signed Parent/Student Athletic Insurance Waiver** on the **Participation Contract.**

Transfer: Click in the box to choose the “X” to indicate the student **has transferred to your school and now has “resident status” at your school.** (Use queries on page 10 or ask your Registrar for help with Enrollment History and residency status.)

Queries for Using Athletic Activities Eligibility

HINT: These queries may be saved in SASIxp, re-opened to be used again.
 As fits the school's needs, these queries may need to be "refined." (MN, Grade, PermNum)
 These queries can be also used for just one sport by adding **IF ActCode="****"** or a filter.

Hint: Resize query to fit all information on printed page by pulling "#" Line field dividers to left.

13. Eligibility by Sports Based on Grading Periods

If you are within a “6 Week” or “Semester” Grading Period, rather than Progress Reporting, you will need to coordinate again with the person in charge of grading.

First, you will need to define the sports of the season! (Winter sports in example)

Second, with the help of the person in charge of grading, **determine which “MarkNum” period** you are currently in.

Hint: 1st Grading Period = 0, 2nd Grading Period = 1, 3rd Grading Period = 2.....)
[Example is the 3rd Grading Period (3rd 6 Weeks and 1st Semester Grade)]

Hints: You must drag the TchNum field from the 3rd column to the top of the 4th column so they are linked by TchNum instead of by Counselor.
Because there are not 5 columns in query, type in the AACT and ActCode.

14. To Determine Who Has Not Recorded Grades for Eligibility

- a. In **Progress**, have the person in charge of grading use the following report:
Mark Distribution Analysis by Teacher (PRG10)
- b. In **Progress**, some schools have teachers mark an “A” or a “P” for the first student in each class that has **NO D’s or F’s** to indicate they did record progress grades.
- c. In **Grading**, the person may use the report: **Exception by Teacher (Grd09)**
Use Marks 1 = ‘ ’ and Counter = ‘1’

15. For all of the student body with D's or F's to give to Counselors

- a. In **Progress**, **Mark Exception Report (PRG08)**
(Click 'Custom' to type as below to query *just* Last Name Ch--E)

- b. In **Grades**, **Mark Exception Report (GRD08)** (example, all students)
