

SASIXp Elementary Standard Reports

Student Reports

<i>STU12 - Student Enrollment</i>	241
Shows the number of students assigned to each teacher. It gives a breakdown by grade and gender. Great for balancing classes.	
<i>STU01 - Three Across Student Directory</i>	225
This is a simple compact list of all students (based on report parameters), which includes Name, gender, grade and birthdate information.	
<i>STU02 - Student Directory</i>	227
This report is the only report that gives you student demographic information in an easy to read format. It includes all demographic information as well as the students birthdate, grade level, parent's names, address, home phone, and both parents work phone numbers.	
<i>STU03 - Name and Address Labels</i>	229
Quick and easy address labels.	
<i>STU09 - Student Data Labels</i>	237
This label would be ideal for student cum records. Includes demographic information.	
<i>STU21 - Name & School Labels</i>	243
Great for use when going on a field trip. Prints the students name and school.	
<i>STU25 - Birthday Listing</i>	245
A birthday listing by month and day.	
<i>STU40 Class Roster/No Schedules</i>	253
A great "check list" to give teachers. Be sure to check "Print Form". Can be used for attendance sheets.	
<i>STU43 - Special Class List</i>	257
Prints out a teacher's class list. Includes student's names and ids, gender, grade and birthdate and includes a comment line.	
<i>STU98 - Ethnic Distribution</i>	263

Nicely presents ethnic distribution by grade and gender. Ideal for those who do the End of Year report for Colorado Department of Ed.

Attendance Reports

<i>ATD01 - Gain/Loss Report</i>	5
Shows enrollment gains and losses by date. Sorted by effective date.	
<i>ATD02 - Monthly Attendance Report</i>	7
This report shows attendance by student for a given reporting period. Gives a great quick reference to check absences during a specific window. This report is highly recommended for the October count window.	
<i>ATD06 - Perfect Attendance List</i>	11
Prints a list of students who have perfect attendance based on the parameters you select from the report and the settings attached to the attendance atom.	
<i>ATD06a - Perfect Attendance Labels</i>	13
This prints labels for the perfect attendance list. Great for sending letters home for students who have achieved perfect attendance.	
<i>ATD07 & ATD07a - Absence List by Student or Teacher</i>	15, 17
Prints a listing of student absences for a specific date. You can run this report for the entire school or by teacher. This would be a good "log sheet" when calling home to verify absences.	
<i>ATD09 - Student Absences</i>	19
A listing of students and their total absences. This report can be customized to report a specific number of absences or a specific date range.	
<i>ATD40 - Quarterly Attendance Report</i>	23
Reports the total number of absences by student. Again, this report can be customized for a specific date range, grade, track, etc. A great way to record absences for quarter or semester report cards.	
<i>ATD41 - Attendance Summary</i>	27
Summarizes student absences to date.	
<i>ATD42 - Student Attendance</i>	29
Gives a summary by student of absences for a given date range.	

ATD03 - Monthly Attendance Summary	9
Gives attendance percentages for all absences for a selected reporting period.	

Parent/Guardian Report

PRN01 - Parent Labels (from the parent/guardian atom).....	??
Prints a neat label to parents based on information in the Parent/Guardian atom. This is where you can print labels for the "Extra" parents.	

Emergency Report

EMG01 - Student Contact Form	163
A demographic form that contains not only parent guardian information but also the emergency contact information and medical information on the student. This is a great for m for use at the start of the school year to verify information on each family.	

Health Reports

IMM05 - Student Immunization Summary.....	161
Prints an individual immunization record on a student.	
IMM04 - Immunization Compliance	159
Prints by grade the status of students' immunization. Great for the state report for the Department of Health.	

Discipline Reports

DIS01 - Discipline Report	103
Prints a student-by-student report of the Discipline incidents. Each student is printed on a different page. Useful at the time of withdrawal.	
DIS02 - Discipline Listing	105
Lists incidents by student. This report would be helpful during the Safety & Discipline reporting.
