Student Reports

STU01 - Three Across Student Directory225

This is a simple compact list of all students (based on report parameters), which includes Name, gender, grade and birthdate information.

STU02 - Student Directory.....227

This report is the only report that gives you student demographic information in an easy to read format. It includes all demographic information as well as the students birthdate, grade level, parent's names, address, home phone, and both parents work phone numbers.

STU03 - Name and Address Labels229

Quick and easy address labels.

STU 05 - Student Class Rank and GPA231

Gives a listing of the students and their rank. The parameters of this report can be changed to "customize" your sort.

STU07 - Student Schedules.....233

A listing of all student schedules. Sorted in alphabetical order.

STU08 - Student Add-Drop Listing235

Prints out by teacher students who have been added or dropped from their class. Typical use of this report would be at the start of each term. This report probably would not be necessary if you are using Classxp for attendance.

STU43 - Special Class List.....257

Prints out a teacher's class list. Includes the Section ID, period, the course title, student's names and ids, gender, grade and birthdate. This report also includes a comment line.

STU98 - Ethnic Distribution263

Nicely presents ethnic distribution by grade and gender. Ideal for those who do the End of Year report for Colorado Department of Ed.

Classes Report

<i>CLS32 - Class Schedule</i>	85
Prints individual student schedules. By changing the parameters you can customize the "look" of the schedule. Options that can be printed on the schedule are; Parent/Guardian information, Locker number and combination, counselor, grade, and gender. This is an ideal schedule for student use at the start of a term.	

Attendance Reports

<i>ATP08 - Cut List</i>	37
The Cut List report shows students who were marked present or tardy during a selected period and had an unverified absence in any other period during the day.	
<i>ATP18 - Absence List by Teacher</i>	49
Prints one teacher per page and lists the students who were absent from each of the teachers' classes for the reasons and types selected.	
<i>ATP09 - Absent N Times</i>	39
This report prints attendance for students who have been marked absent fewer or greater times than the number you specify.	
<i>ATP13 - Report by Student</i>	45
This is a single page report that prints attendance for individual students. There are different versions of this report that can be selected by changing the report parameters.	
<i>ATP28 - Add/Drop Report</i>	61
Prints students by teacher who have dropped or have been added to a teacher's class list. This report is printed by teacher. There are several parameters to this report. If your school is taking attendance using Classxp this report may not be necessary.	
<i>ATP51 - Gain/Loss Report</i>	67
Shows enrollment gains and losses by date.	
<i>ATP52 - Monthly Attendance Report</i>	69

This report shows attendance by student for a given reporting period. This report is highly recommended for the October count window.

Parent/Guardian Report

- PRN01 - Parent Labels (from the parent/guardian atom)..... ??***
Prints a neat label to parents based on information in the Parent/Guardian atom. This is where you can print labels for the "Extra" parents.

Emergency Report

- EMG01 - Student Contact Form163***
A demographic form that contains not only parent guardian information but also the emergency contact information and medical information on the student. This is a great form for use at the start of the school year to verify information on each family.

Health Reports

- IMM05 - Student Immunization Summary.....161***
Prints an individual immunization record on a student.
- IMM04 - Immunization Compliance159***
Prints by grade the status of students' immunization. Great for the state report for the Department of Health.

Discipline Reports
