

Colorado Student Information System Users' Group 2008 Conference Evaluation Summary

2008 CSIS Conference Evaluation Summary

Statement	Strongly Agree	Agree	Disagree	Strongly Disagree
The Conference was well publicized	22	50	8	2
The Conference was well organized	39	46	2	1
Conference Registration went well	57	30	0	0
Conference Session Topics were timely and useful	25	61	2	0
Session scheduling in " threads " for each type of user was useful	19	51	7	2
Hands-on experience and support in the " bullpen " was useful	12	14	7	1
Access to vendors was useful	7	31	10	2
Conference facilities were comfortable and well-organized	19	43	18	7
Conference meals and snacks were satisfying	43	37	3	1
The registration fee for the conference was reasonable	16	56	7	0
I would attend another Colorado SIS Users' Group Conference	40	40	4	1

**Colorado Student Information System Users' Group
2008 Conference Evaluation Summary**

GENERAL COMMENTS:

Negative

Internet problems (27)	Put name and district in larger font on name tag
Hotel lacked cleanliness, and was outdated (Preferred Westin) (15)	Better maps
Rooms were too COLD (8)	Tables for participants in sessions (for writing)
Several Rooms overcrowded (7)	No follow up from registration
Not having handouts (7)	1st day, several participants ill after lunch
Bullpen Unavailable (4)	Need intro session to IC
Better explanation of courses and recommendation on whom it is designed for (3)	Needed a frig in the room
Basic too basic, adv too advanced (3)	Too many extra fees (taxes, etc)
Sparse Food Selection (2)	Need more Dist Level Bullpen Sessions
Wants session with hands on training (2)	Wyoming Resident not notified early enough
Lunch speaker too much like an infomercial (2)	2nd day classes more informative
Took too long to serve lunch	More Roundtables
Didn't see threads organized in schedule	Color Coding Threads Inaccurate
Suggest Round table discussions by job description to 'network'	Advanced classes should be more advanced
Snack with a continental breakfast would be nice	Inform us the presentations are on the zip drive
Double up on the sessions for more depth	Sessions too far apart
Not many Vendors	Look for "GREEN" hotel
	Follow up on Registration better

Positive

Excel Gentleman was great (3)
Meals and service were excellent (2)
Facility was a great place to host conference (2)
Appreciate lunch included
Conference very helpful
Very Informative
Learned something at every session

**Colorado Student Information System Users' Group
2008 Conference Evaluation Summary**

Sessions MOST Helpful

Access Import (2)	IC reporting (5)
Ad Hoc Int. (9)	Info Snap
Advanced Database Topics	Messenger
Adv Gradebook/Lesson Planner (2)	New Year Setup (2)
Attendance (2)	Patrick Mount's Excel Classes (13)
Beginning Troubleshooting (2)	Portal Messenger setup (3)
Behavior Referral Letters (2)	Roll Over
Campus Wizard (2)	Round Table Discussions (2)
CDE Reporting	Scheduling Wizard (2)
Census Overview	SPED IEP
Cube Builder (5)	SQL Pass-through
Custom Reports with Access	Tabs
Day to Day operations (2)	Tips and Tricks (6)
Export Gradebook to Excel Data Anal (6)	Using Campus Data I Excel Basic (9)
General Navigation (6)	Vendor presentation
Household Game (3)	What's new Campus 2008.2 (4)

Sessions LEAST Helpful

Ad Hoc - Beg. (5)	Eligibility
Ad Hoc - Int.	Entry level classes (2)
Advanced and SQL Pass Through	Household Game (2)
Advanced Lesson Planner	New Year Setup
Advanced Wizard	Prep for Counselors/Grad Planning
Attendance Wizard/Letters	Scheduling
Beginning Troubleshooting (5)	Standards Base K-8
Behavior/Behavior	Test Creation, mapping, importing
CDE Reporting in IC (3)	Transcripts and grading/posting
Day to Day	Using IC Data with Campus
