

General Conference Feedback

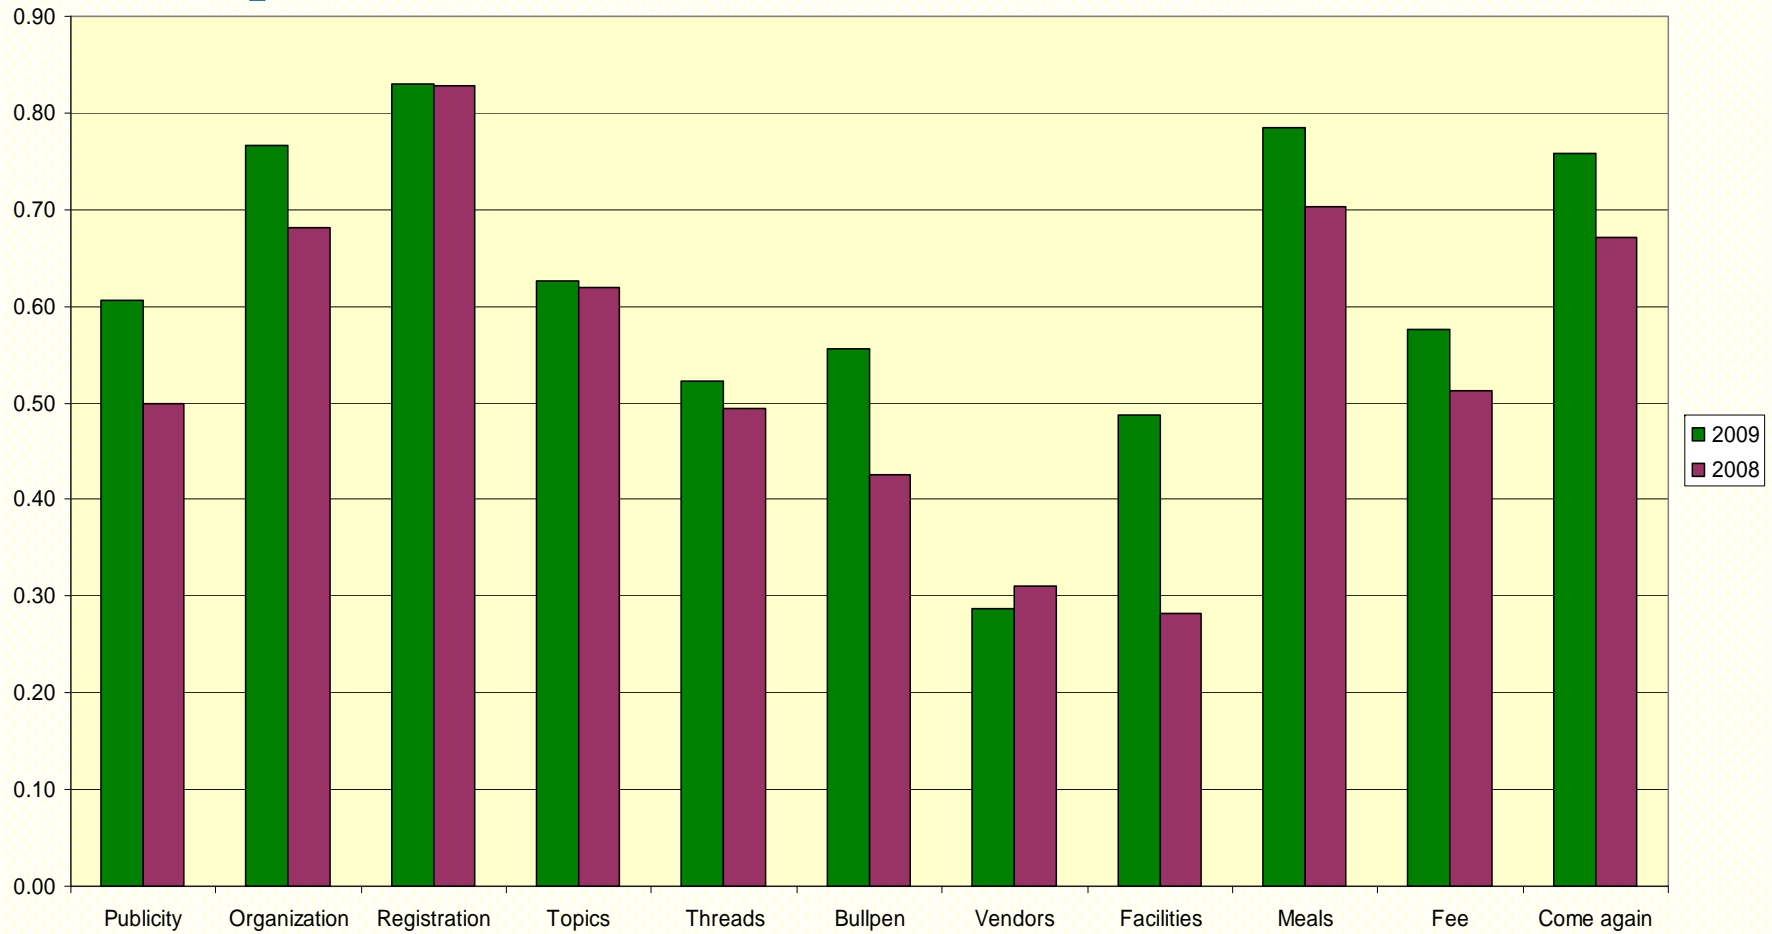

2009 CSIS Conference Evaluation Summary

2009 vs. 2008

CSIS Eval 2009 vs. 2008

Frequent Comments

- Change threads to reflect job title
- Rooms too cold
- Internet issues unacceptable
- Some rooms too crowded
- Love the hands-on (offer more)
- Did not know about registering for hands-on
- Make descriptions of sessions available onsite
- Flash drives and Binders are great
