Business Meeting:

Conference updates:

- Packet Stuffing will be done Monday January 22nd @ Westin in Westminster @ 9:00 a.m.
- Patty will be checking on the AV equipment and visiting the hotel. We are still doing Adopt a room.
- We will have email stations and Patty will look at the lay out.
- Lunches for the conference will be decided soon.
- Patty has ordered the bags (red/black) and the name holder badges.
- We need ILP presenters as D20 can't not take this session.
- Considering CIO free registration with 5 regular and/or presenters registration.
- Bull pen will have 9 machines, CIC and DPS will man the bull pen. We are requesting 2 IC sites 2006 and 2007.
- Presenters will need a password to gain network access in their rooms for presentation. They will receive them when they check in at the conference.

Business Meeting:

- John Moore attending a meeting regarding the Standards Base Report card and will get back with the group with more info.
- IC executive summary will be coming out January 15th 8.1-8.2
- Boulder will taking over the list serve. Everyone will have to reregister, info regarding new list serve will be posted on the CSIS web site.
- Discussion regarding the whether we are CSIS or CSUG. We have conflicting information posted.

District Sharing;

Ft Morgan: IC6.3 Having issues with Java disappearing, sporadically on desktops and servers. Have to reinstall the program. Will be testing IC version 2007.

Adams 12: SASI will be doing new year roll in January.

Aurora: IC will be implementing Messenger but had to order a T1 because PBX won't handle. Will be doing training in January. The secondaries will be using it first. Attendance will be using a template and Spanish also. Will be implementing standards base grades next year in January for K-12. Piloting @ secondary now. Also putting Grade books on parent portal. Piloting central enrollment next year. Will be done before break.

Widfield: IC will be going live with SPED Dec 2nd if possible because the PLP kept disappearing so we might have to wait and go back to Filemaker Pro. Brought up parent portal for attendance only at the elementaries. Using messenger but for email only.

Boulder; Working on CSAP's. Waiting for 3.11 for the IEP. CIC to develop CSAP wizard.

BOCES: Data in sandbox and upgrade will be tomorrow night. All districts will be working/cleaning up households. Going live Dec 19th.

Eaton: Waiting to look at testing information. All report cards are letter grades for 4th and up. Using the portal for grades in Middles and high school.

Adams 14: Waiting for updates on email. Will be implementing messenger for dialer and email.

CIC Mark Richardson: Updates will be out Friday. Mark has submitted updates for any bugs. 6 spots left for the Schedule Wizard Certification Class on Jan 22-26. Will be held in Boulder, cost \$450.

Next meeting January 8th.
