Joan Bell	RE3J Keenesbury

-----Minutes-----

Business Meeting:

IC District updates:

The following districts will be requesting IC 2008.1 this summer:

Brighton, Aurora, Jeffco, Littleton, RE3J, Ft Morgan, Centennial BOCES, Windsor, BVSD, Woodland Park, Adams 14.

Douglas County will request IC 2008.1 at Winter Break.

Conference Updates:

Patty will follow up with the Weston regarding the conference.

List Serve is up and running. Woodland Park SD is hosting and we will start posting to this site. Will drop the Adams site in Aug. We will discuss more in detail in Aug but IC has a new logo and miscellaneous items to be posted.

District Sharing;

Brighton: Everything running smoothly. Just finished the conversion for Test History. Setting up Standard Base report cards, SPED, LIT for implementation at the beginning of the year. We will open 2 new elementary schools and one charter. The Charter is out of Michigan and wants to use their own SIS. The new K-6 is going smoothly.

Aurora: We have a new IT director who will start on Friday. Last day of school teachers were running report cards and this created havoc. Will start using a schedule to run report cards. Opening central enrollment next week, we will have 2 staff, 1 coordinator and part time help as needed. Aurora has a different calendar for next year, this summer will be short. There will be a separate calendar for each school. We have 2 new K-8 grade charter schools. We will start using SWISS for positive behavior.

Jeffco: Would like to see more swapping of programs between districts instead of everyone recreating the wheel. Would like to see all districts bring in reporting services reports. We have had a need for rewriting transcripts because of new needs.

Littleton: Working with IC on SARB, Truancy ESL and GT. Hope to have all automated instead of manual and have everyone view access. 2008.1 in sandbox hope to have ready in the Fall. We are looking for SPED software.

RE3J: Everything is running smoothly. Looking for SPED/LIT software.

Ft Morgan: We really like the IC SPED piece. Things are running smoothly.

Douglas County: Finished first year on IC, went well. Opening 3 new elementarys. We will be using Elementary grade books and will be using grade books for all levels in the fall. We are currently using Standard Base report cards. One of our middle schools has created a great document for 'creating grade books'. We are implementing the Parent portal for elementary this fall. We will be setting up for our virtual school also.

C BOCES: We will be implementing 'Heat' help desk in the fall. Things going well.

Windsor: We will be going live with IC this fall. Things seem to be in place.

BVSD: Working with Standard Base report cards this is going well. Importing from Café Terminal/QSP into custom fields to IC like lunch balances and totals.

Woodland Park: We will have an Online school next year K-12.

Eaton: Will implement 2008.1 this summer. Reporting services was great and everything is running smoothly.

Adams 14: We will be installing 2008.1 over the summer.

DPS: All elementary and middle schools will go to Standard Base report cards, mandatory for a year but will post transcripts with achievement grades. Starting online registration July 1 with 8 to 10 schools and for new students only. We will start using Grad Planner at kindergarten level to follow students. All schools will be starting on the same date so no different start dates.

Next meeting August 13th, 2007

Meeting dates for next year.

August 13, 2007

September 10, 2007

October 8, 2007

November 5, 2007

December 10, 2007

January 14, 2008

February Conference

March 10, 2008

April 14, 2008

May 19, 2008

June 9, 2008
