-----Minutes-----

Business Meeting:

Conference updates:

- Von will take care gathering the presenter registrations, session descriptions and the evaluation forms.
- Final updates have been done to the schedule. The conference schedule will be posted on the web site.
- Adopt-a-room hosts; Brighton, 2-Academy 20, Ft Morgan, 2-DPS, Aurora. Adoptions include bringing power strip, extension cord, and projector.
- Hand outs for each session will be posted on the web site.
- Von will send out confirmations in January, along with a notification to download the session hand outs.

District Sharing:

- Boulder IC- Standard Based report card was rolled out to 10 elementary schools. Working well so far.
- Jeffco IC 10.3- Looking at upgrading, not sure because of ramifications.
- Widefield IC 10.3- Will be bringing up the SPED program in IC during January.
- Ft Morgan IC 10.3- Using the IEP, all seems to be working alright. Printing on one page is an issue.
- Academy 20 IC 10.1- IEP's are working great, having small issues, page breaks, miss spellings. Standard Base Report Cards are rolled out but we need more training for the teachers.
- Lewis Palmer 38 IC 10.3- IEP are working fine. We have to hold students under age of 3 there is no school of choice and can't do IEP unless in the system. Currently working on loading the assessment piece.
- Brighton IC 2007 going live Dec 20th on 2007. Conversion went alright but enter codes were an issue.
- DCS IC 10.3- Pushed out grade book to all secondary. Train the trainer was an issue between Middle school and high school because they grade differently. Standard Base Report card will be out next week. There is no an 'all fill' for default value. Starting Online Registration next week. Should go better than last year.
- Aurora IC 10.3- Implementing messenger. Standard Base Report card is working ok. Would like to host a certification class, need 15 people, would be considered level 2 support, approx \$500 and will be offered after January.
- Mark Richardson CIC, A Schedule Wizard certification class will be the 1st or 2nd week of January, 3 or 4 day class.
- Windsor SASI 6.2 will be going live with IC in the fall
- DPS IC 10.3- Working on upgrade to 2007, still in the sand box.
- Adams 14 IC 10.3- Working on implementing messenger and upgrade to 2007.

Next meeting December 11th.
