Shelley Tailer, Douglas County
Mina Parthasarathy, Douglas County
Brian Fuller, Adams 14
Geordy Kerscher, Thompson
Linda Hayes, Adams 12
Jeanne Saulino, Adams 12
Cindy Kidwell, Centennial BOCES

Business Items

- Strong interest in resuming a committee to focus on specific needs. Aurora (82 Airport Blvd) will host this on Wednesday, October 17th from 8-10 (Enhancements) and 10-12 (Standards-Based Report Cards).
- Interest in developing a national Users' Group in order to increase standing for enhancements requested to Infinite Campus.

Conference Planning

- We will have a new facility that will allow for up to 650 attendees in the Grand Ballroom.
- Venue will be the Four Points Sheridan (Hampton & I-25), which will offer \$100 lodging per night and on-line registration.
- Considering other registration options. Von said that her district has offered to facilitate an on-line registration process. Are districts capable of paying with on-line methods, since we are not set up to receive credit cards?
- Jim recommended that we include a strand for the CIO group to encourage their involvement with CSIS.
- Patty recommends and the committee agrees that we retain last year's cost:
 - \$150 for 1 day registration (\$125 early registration postmarked by Dec 14, 2007)
 - \$250 for 2 day registration (\$200 early registration postmarked by Dec 14, 2007)
- Patty & Jim facilitated a lengthy discussion of the offerings from the 2007 conference, and made adjustments to the 2008 schedule.
- Schedule will be finalized at the November Steering Committee Meeting, and be posted on the website after that time.

Next Meeting will be Monday, November 5, 2007 at the Adams 12 Administration Center.
